LEADER

THE TIGER'S TALE

Leonard Independent School District

1984

During the year, in the rush of events, we tend to overlook the contributions made by people who are truly interested in the Leonard School System.

One of the highlights of the school year is the completion of the Tiger's Tale and the satisfaction it brings to the staff and sponsor of the yearbook.

I speak for everyone when I "thank you" and tell you how much we appreciate your contribution to the school.

Editor's Note

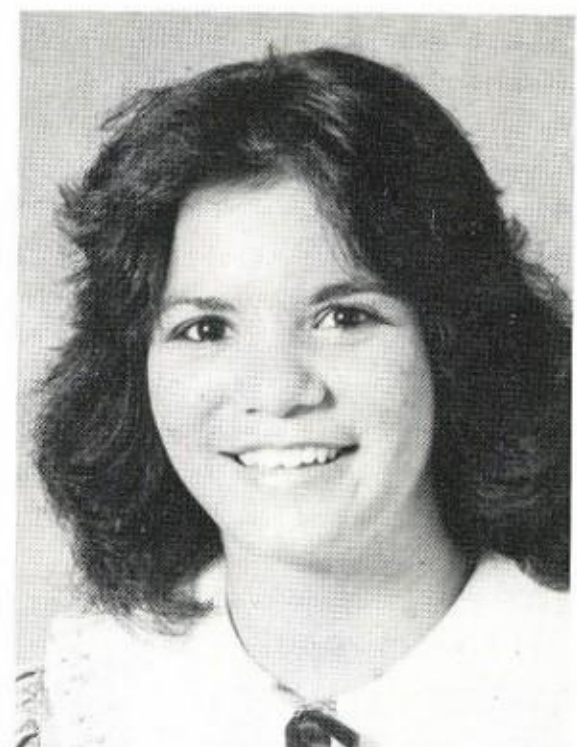

This edition of the Annual is brought to you only through the dedication and hard work of the sponsor and staff of the 1983-1984 Tiger's Tale. The contents include many of the memorable events of the past year. The purpose of any annual is to look back in future years and refresh your memory, for the 83-84 school was definitely one to remember. Hopefully you will enjoy this Tiger's Tale as much as we have enjoyed putting it together for you.

Hold on to the Moment---

HOLD ON TO THE MOMENT

L

S

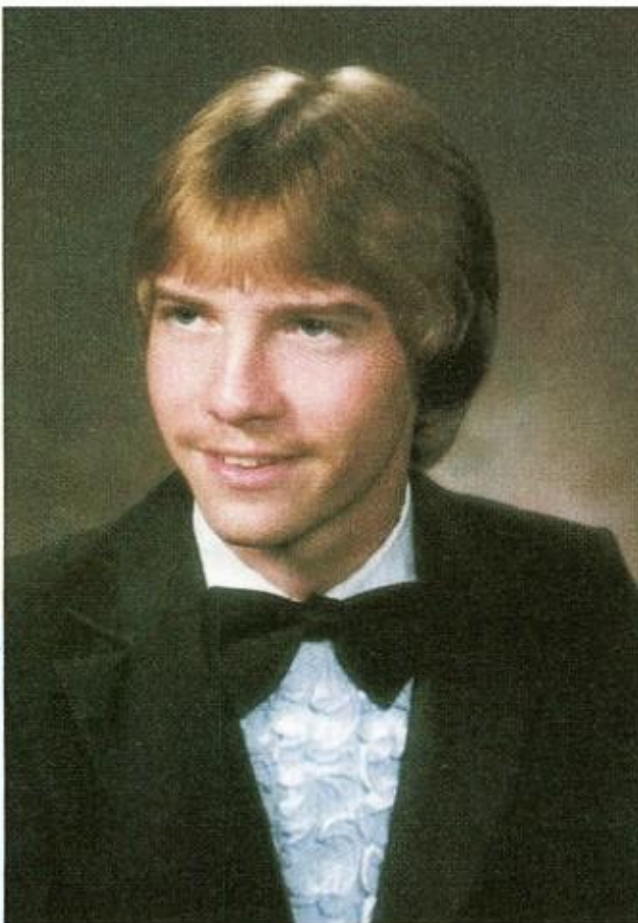

Hold on to the Moment . . .

Single file and yet together,
We have shared our greatest days.
And we carry common memories
In different ways.
Though we don't know where we're going,
We will cherish where we've been.

I want to cry.
I want to shout . . .
Want to let this feeling out.

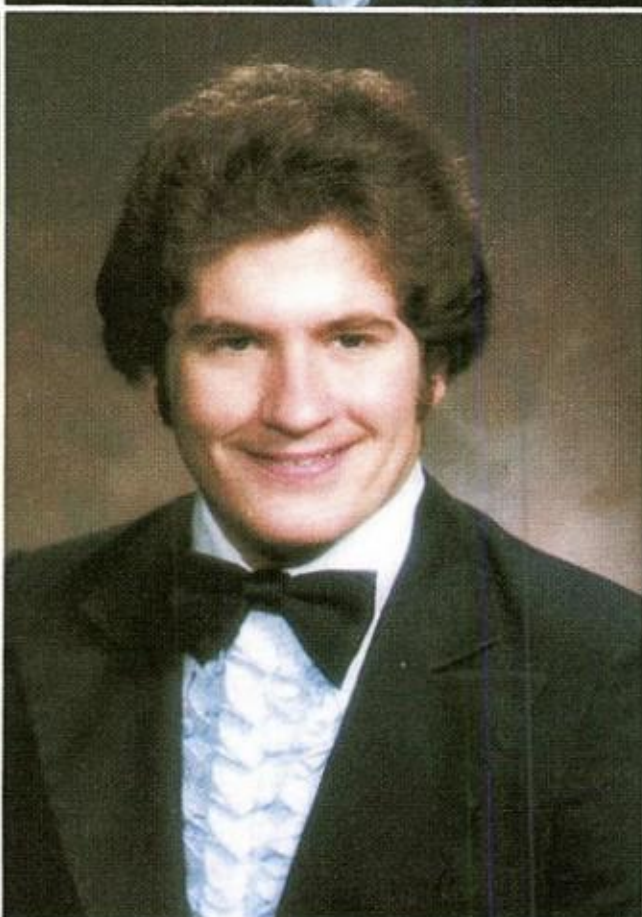

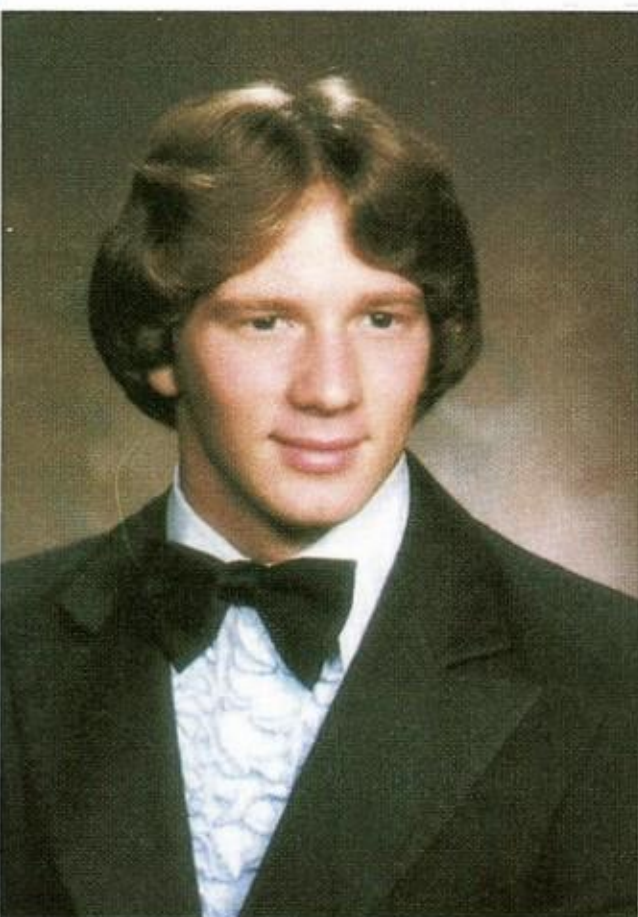

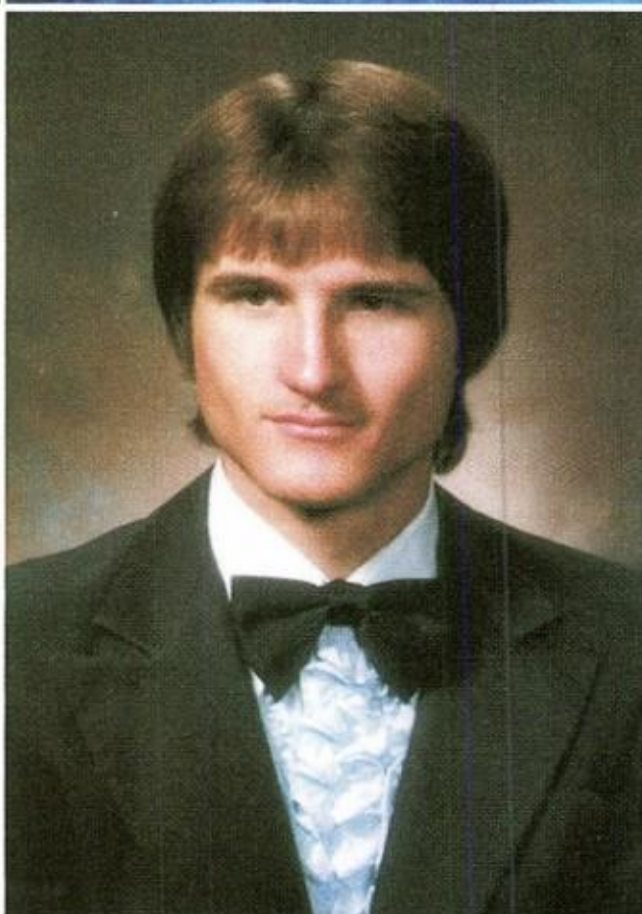

Hold on to the moment.
Let the feelings show.
Hold on to the moment.
Never let it go.

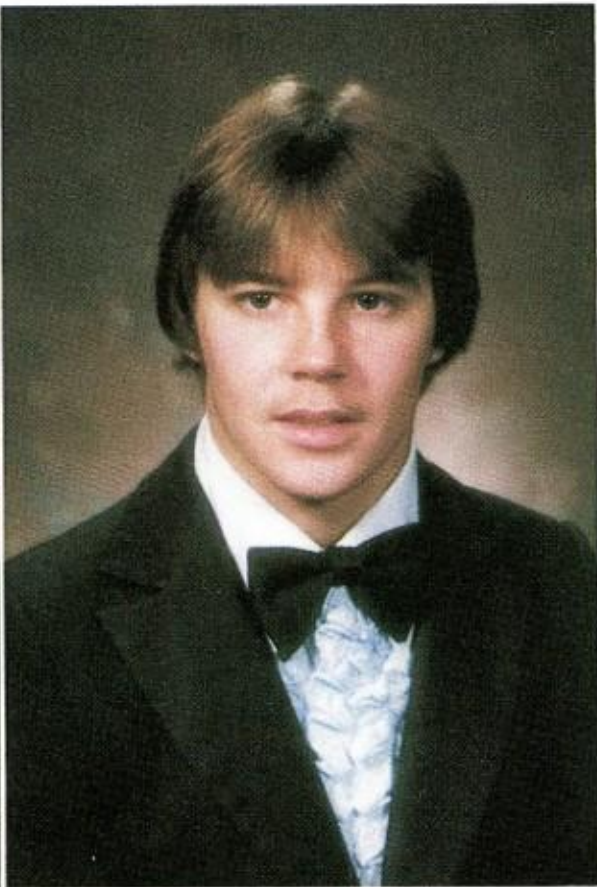

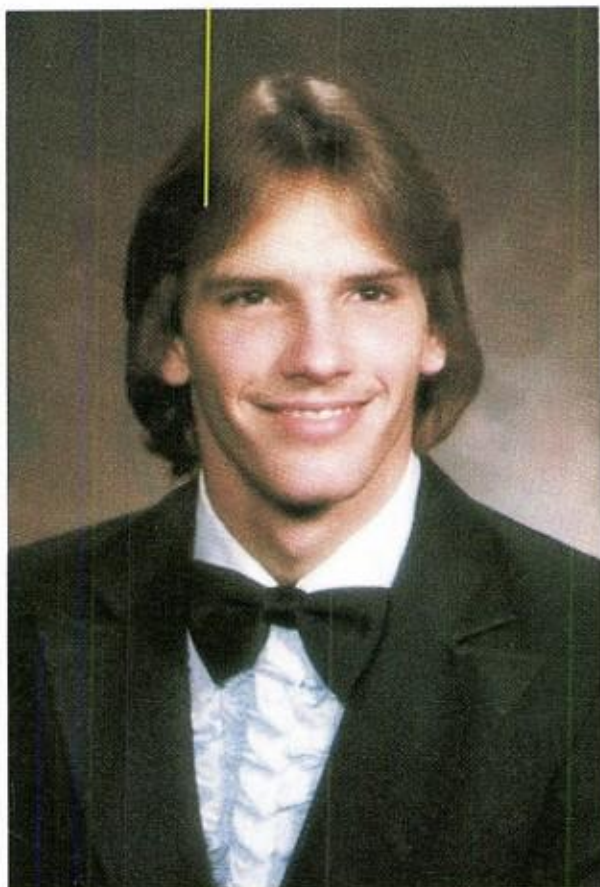

I can picture us together
With my arms around my friends.
Just let me hold on to this moment,
Before it ends.
There was laughter. There were tears,
Through the dozen golden years.

The Senior Class of 1984 has shown great leadership and carried on the fine traditions at Leonard High School. Also, They have blazed new trails by being the first class to fly to Colorado for their Senior trip during Spring Break.

Class members have worked hard to excel in all areas of school life: academics, athletics, and school organizations.

L.H.S. is proud of the Senior Class of 1984 and wish them well as they begin their adult lives.

The Society of Distinguished American High school Students consists of a group of young men and women that have shown outstanding leadership in and out of the classroom, maintained high academic standards, and have otherwise proved themselves worthy of such an honor. To be in the Society of Distinguished American High School Students is truly a great honor, and these eighteen examples are to be congratulated.

The National Beta Club is a non-secret organization for high school students. The purpose of the Beta Club is the promotion of the ideals of honesty, service, and leadership among high school students, to reward meritorious achievement, and to encourage and assist students to continue their education after high school.

To become a member of our club, a student must be a second-semester freshman, a sophomore, a junior, or a first-semester senior and have a 90 overall average (excluding band and PE) for the previous semester.

Our activities included chartering a Junior Beta Club for the Middle School, attending the state convention in Fort Worth where a group of six girls participated in the talent competition, awarding a monetary scholarship to the outstanding senior Beta, and attending the National Convention in Nashville, Tenn.

The Student Council is one of the most important service organizations in Leonard High School. Throughout the year it organizes and sponsors social affairs, the homecoming dance, special programs, and assemblies. The Council is organized on a democratic basis. Officers are elected annually by secret ballot during the spring semester.

They are aided by two representatives from each class and by a sponsor. It is an honor and privilege to be a member of the student governing body. Criteria to be considered in a member include character, poise, willingness to work, service, and scholarship.

LEARNING TO DO-
DOING TO LEARN-
EARNING TO LIVE-
LIVING TO SERVE!

Membership in FFA for four years can provide many learning experiences, such as developing skills, learning to accept responsibilities, becoming better citizens, and developing leadership abilities. Leadership is one of the best qualities that an organization may have, and it is one quality seen often in the Leonard Future Farmers of America. Each member must have a project and be willing to care for it. Many of the students participate in livestock shows and other agricultural activities. FFA is a place to become wiser and to learn more about agriculture.

I think all will agree that FFA is very important organization because the future of the agricultural industry depends upon the Future Farmers of America.

Project Glad is a Leadership organization co-sponsored by the Region X Education Service Center. Students are members based on academic achievement, co-curricular activities, and leadership qualities in other civic and community organizations. The Glad organization sponsors the yearly "Super Class Week" and this year conducted a drug education program to inform Middle School Students about the effects of alcohol and other dangerous drugs.

One, Two, Three! SMILE

The Spirit of L.H.S. consists of many elements:

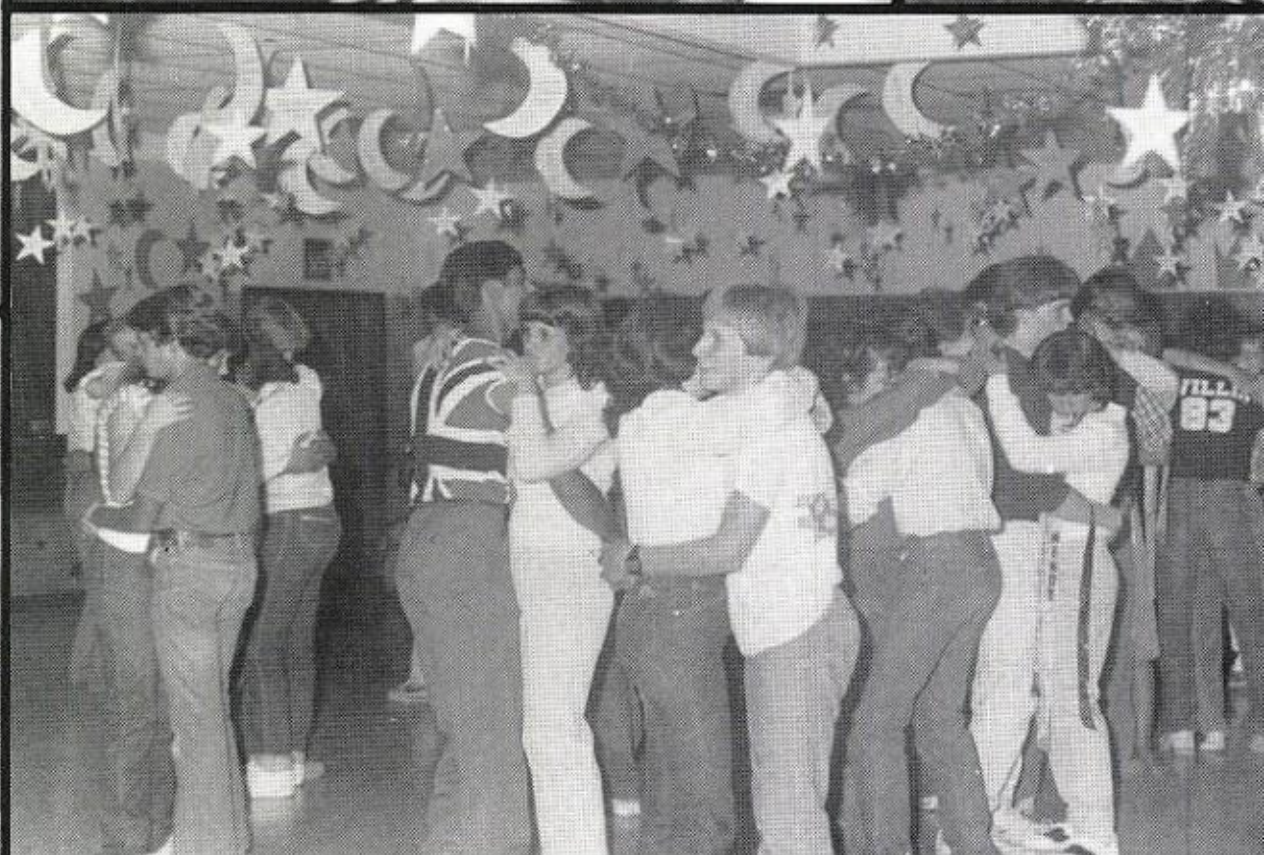

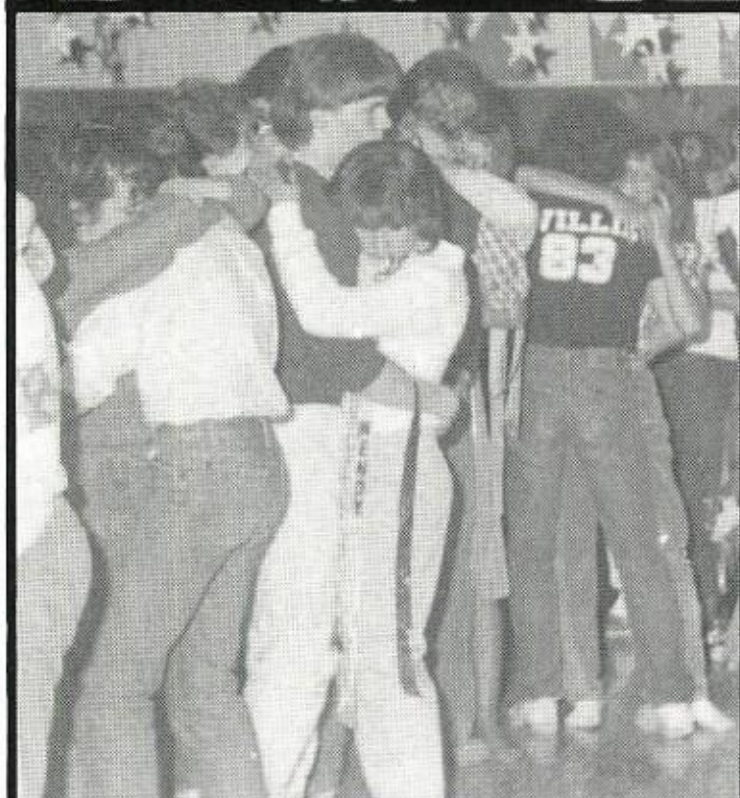

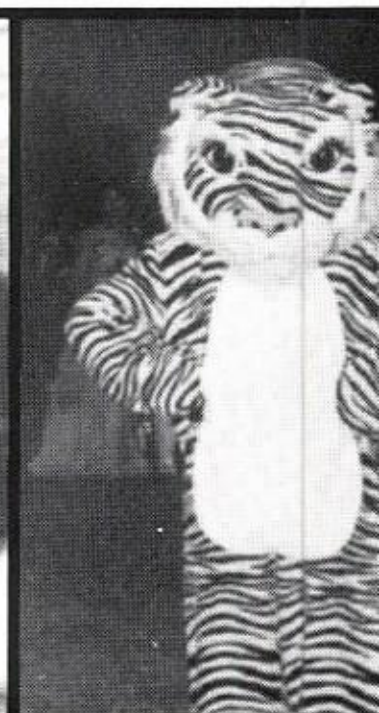

Pride - in which members organizations express their pride in every event at L.H.S.

Honor - Representing L.H.S. is an honor - both as a leader and a supportive member

Confidence - At L.H.S. we have the trust of our teammates which assures us of accomplishments.

Discipline - Is knowing what has to be done and doing it . . . with a smile. Each member strives to be the best that he/she can be.

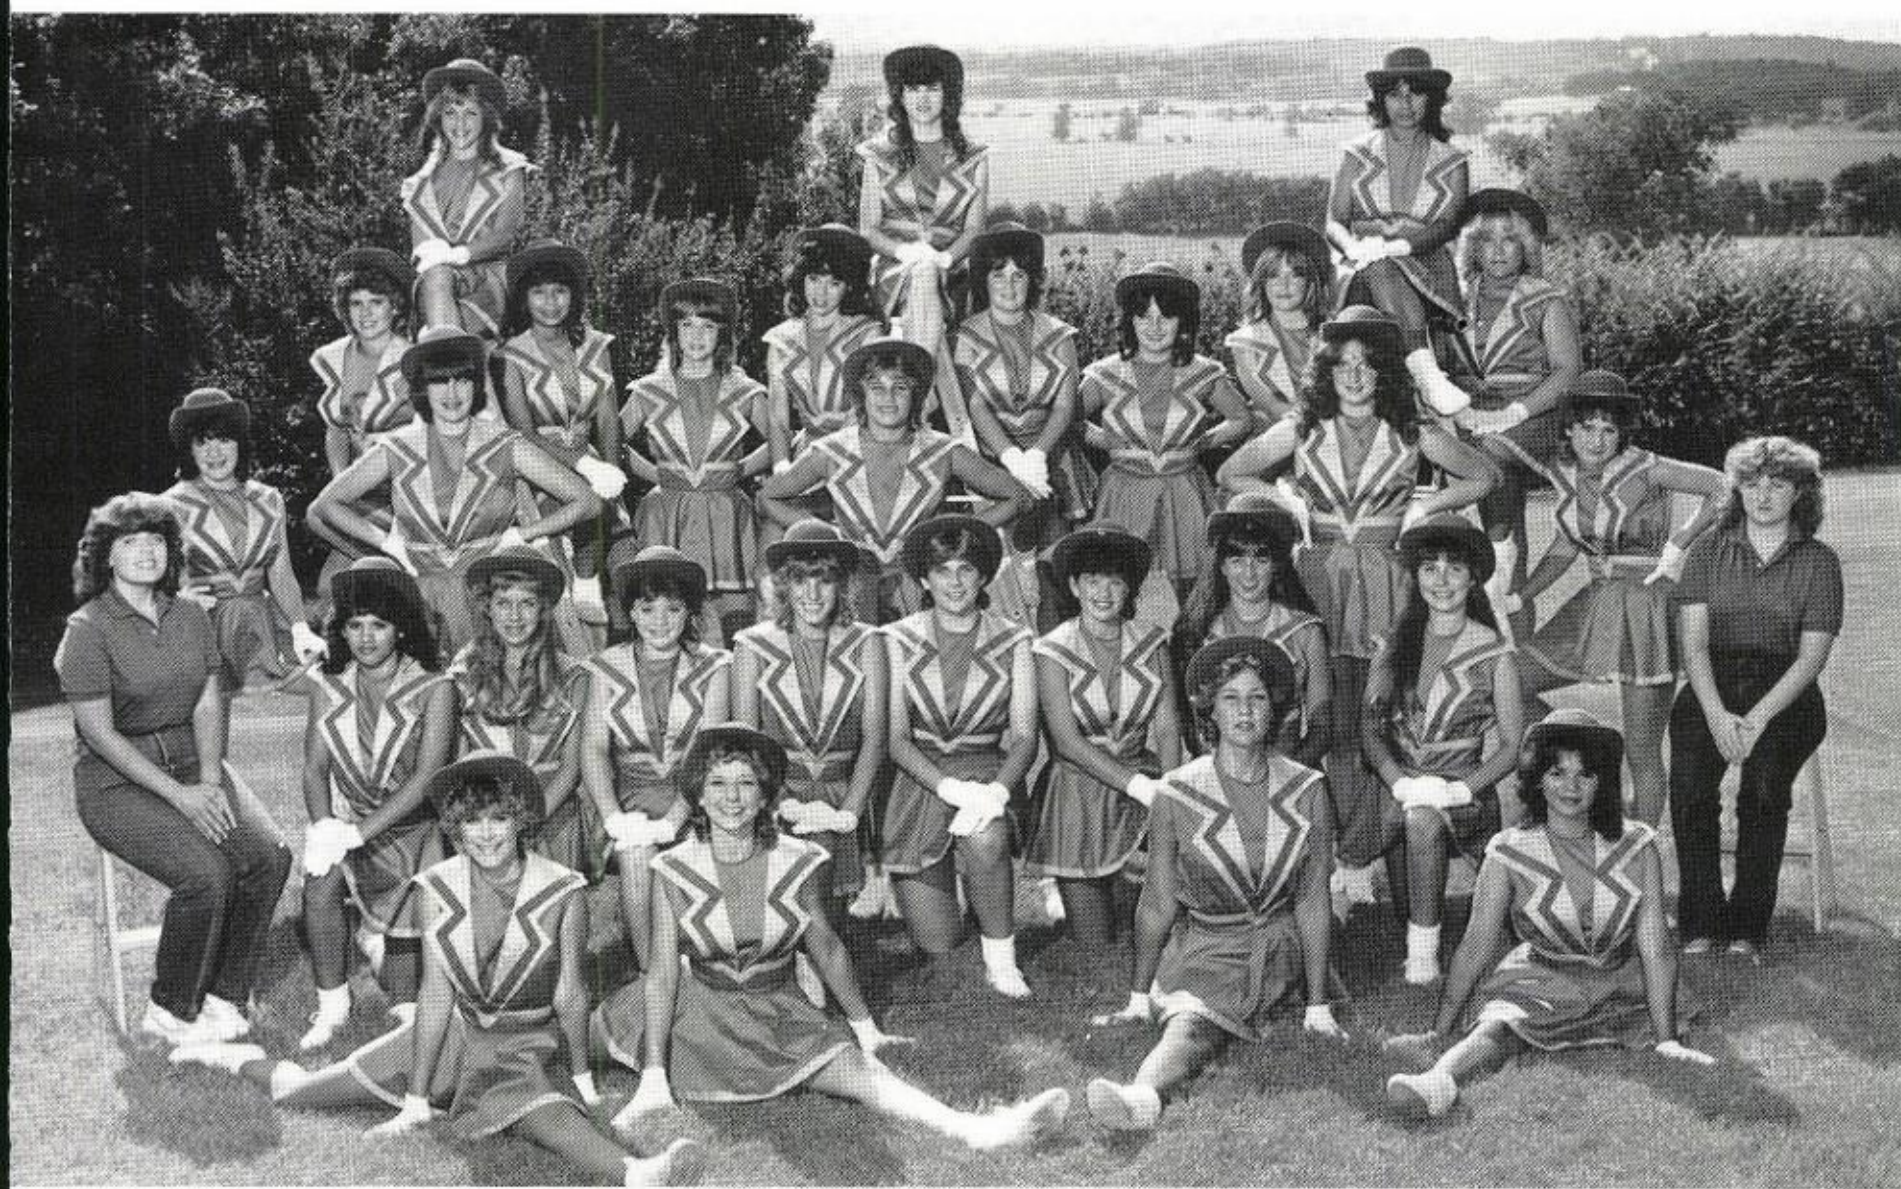

The spirit of L.H.S. is more than just competing; it is the ability to make friends and to enjoy the times we spend together.

Homecoming

SPORTS

THE PLAYER: Lives every play hard, wins without boasting, loses without excuses, and never quits.

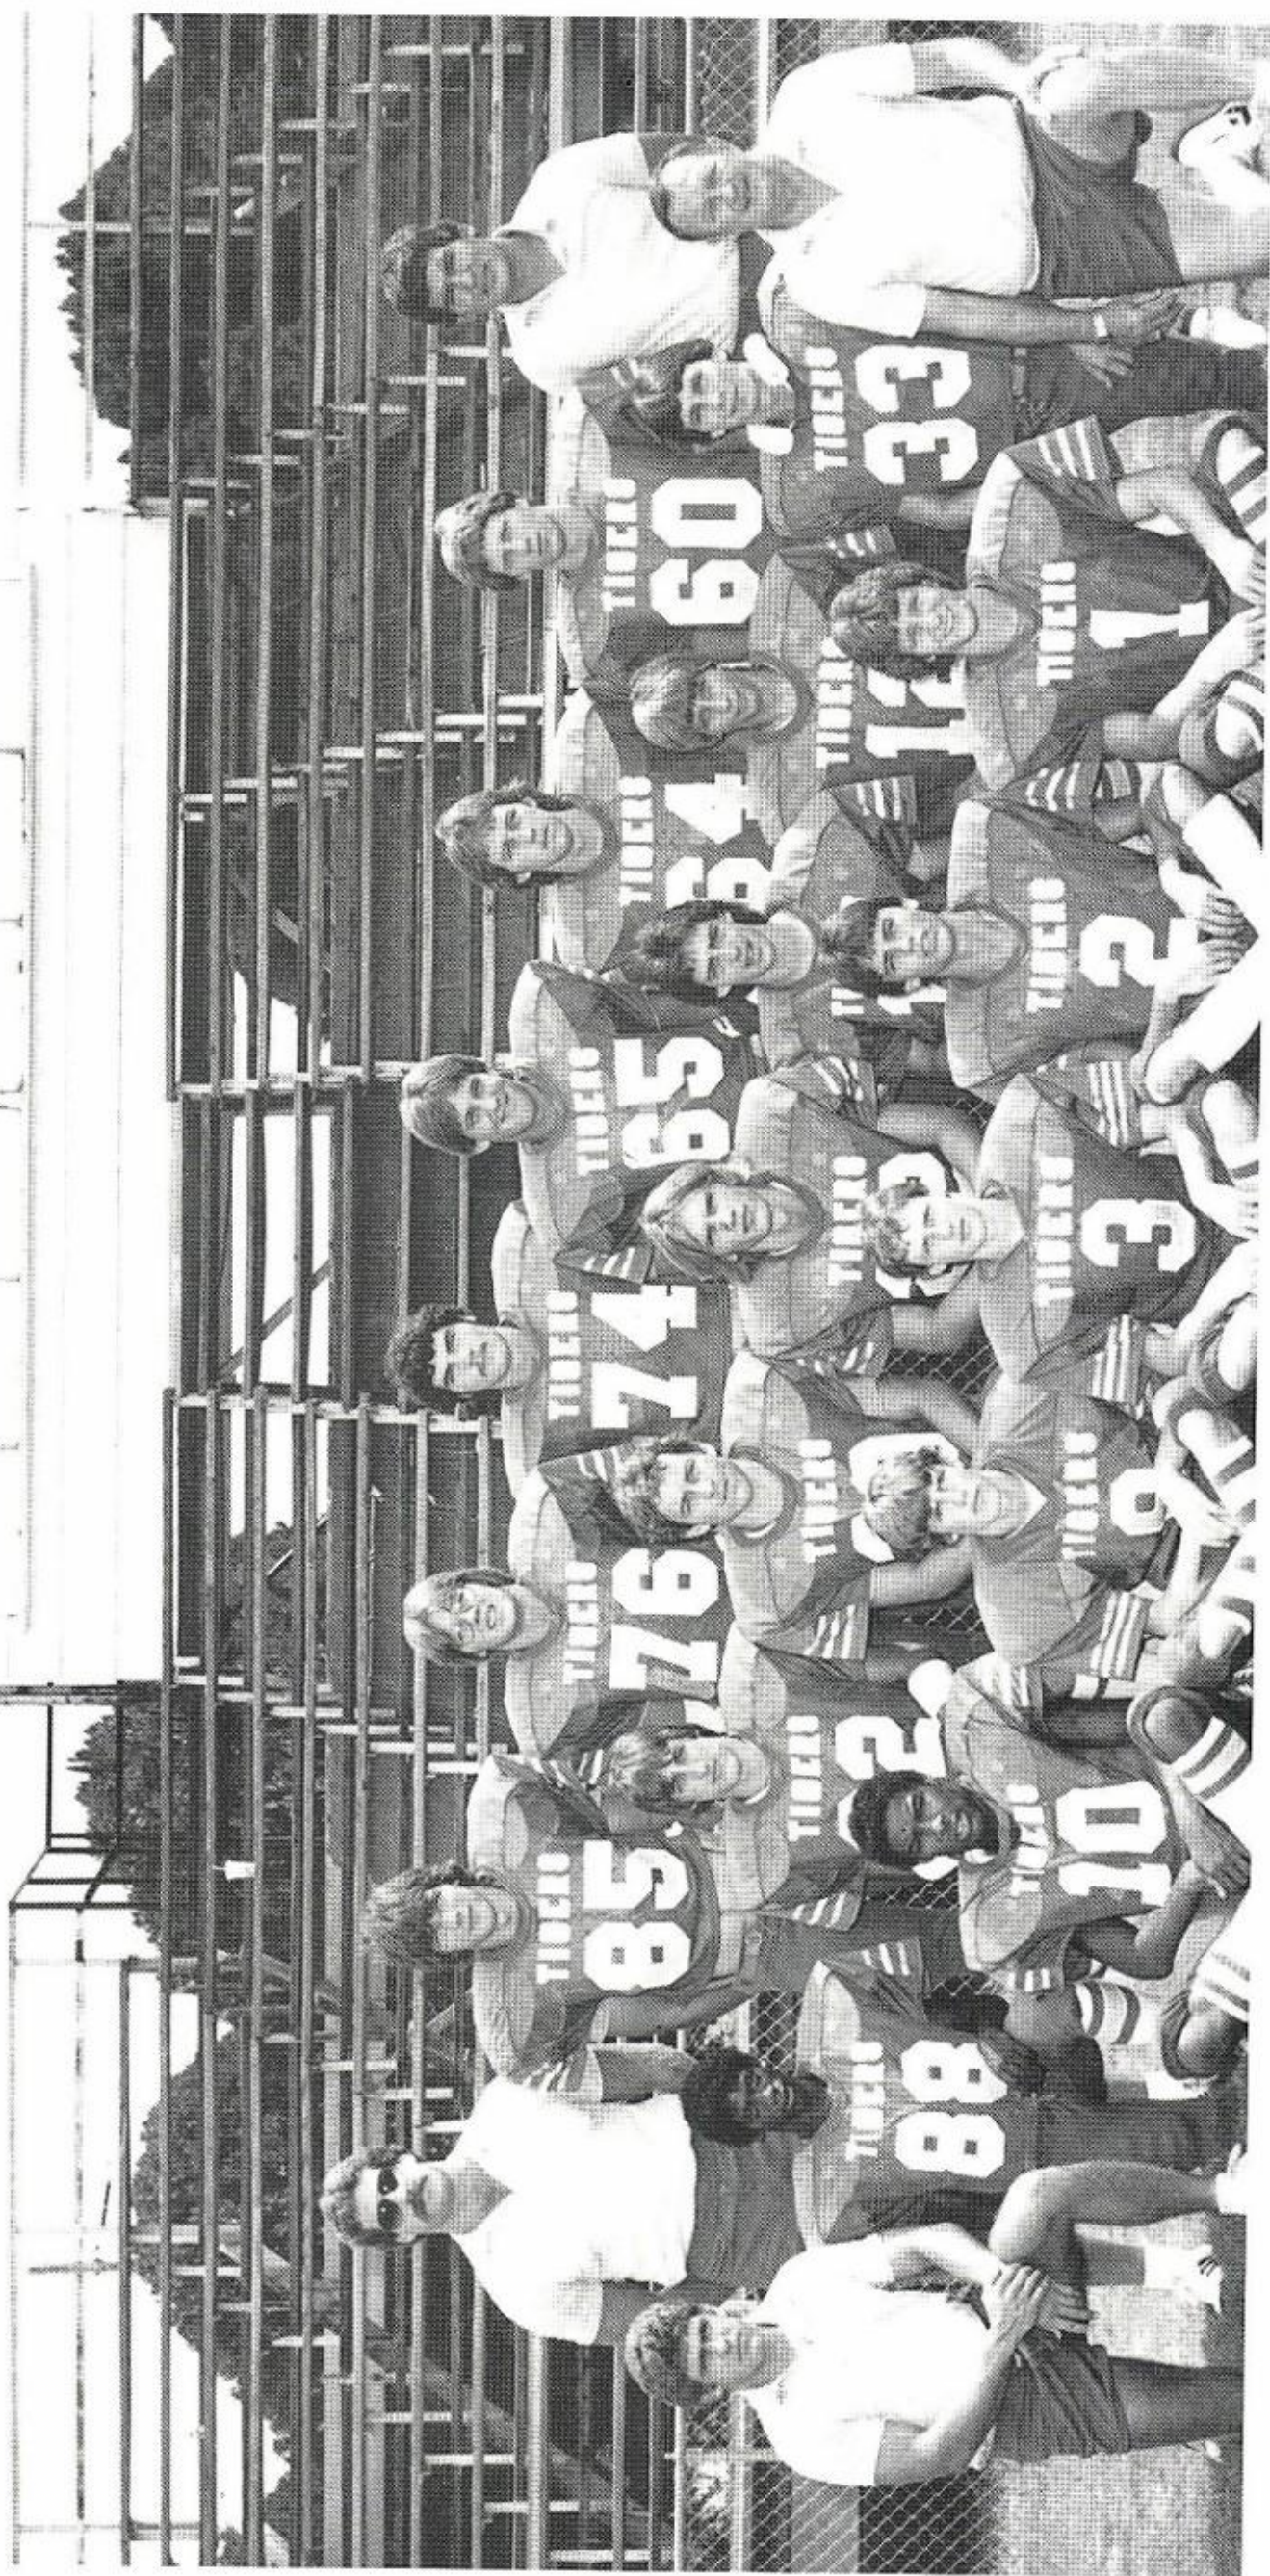

THE COACH: Inspires his team a love for the game and a desire to win. He contends that it is better to lose fairly than win unfairly. He leads his players and the spectators to respect officials. He is the kind of person he wants his players to be.

THE OFFICIAL: knows the rules, is fair and firm in all decisions, and calls them as he sees them. He treats players and coaches courteously and demands the same treatment in return. He knows the game is for the players and lets them have the spotlight.

THE SPECTATOR: never borrows a player or official. He appreciates a good play no matter who makes it. He knows the school gets the blame or praise for his conduct. He recognizes the need for his being a real sport.
